Per Mr. Rice, you really can't trust these people (APS, SRP). Consumer and small businesses will get screwed. Can't believe the Commission is even going to discuss this at all.

Nature of Complaint:

8/2/13 Per Mr Kaczmarek, on the Deregulation issue he's against it. He's 77 years old and doesn't feel this is a good idea. The main concern is that there are more important issues on hand than deregulation. No good for poor people Dereg is a promise and not a fulfill. What he hears is that the electric companies are making monies. He's also heard that contracts can be changed. Utility companies should be happy with what we have. Enjoy it. Say No
